

St. Teresa's Parish
Served by the Redemptorists

Society of St. Vincent de Paul

March 26th 2020

Dear Parishioners,

During this time of uncertainty surrounding the COVID-19 pandemic the operational costs of your Parish continues. Even though Masses and other activities have been cancelled in the church for your health protection, we still need your generosity to help pay for the ongoing operational costs of our Parish.

Additionally, during this time the Society of St. Vincent de Paul, St. Teresa's Conference continues to serve those less fortunate in our community through the operation of our food bank. Your financial assistance helps in making it possible for our Conference to continue to assist those in need in our parish community.

As we endeavor to meet these challenges through this difficult time, we would appreciate your ongoing financial support. Some people have been asking how they can continue to give the weekly offering (envelope or direct deposit). During the time our Masses are cancelled you can continue to support your Parish and the Society of St. Vincent de Paul by dropping your offering envelope in the mail slot at the parish office door or mailing it in. We are also arranging for direct deposit as an alternative way of giving.

You can also pray with us by viewing the daily Mass on St. Teresa's Parish YouTube Masses Facebook page at: <https://www.facebook.com/groups/626050944845349/>). You can also be connected to us through our *weekly bulletin* found on our website www.stteresa.ca. Request for prayers may be forwarded through the email cirapio80@gmail.com, or Facebook.

Please help us so we may help you. Thank you for your support and generosity. Many blessings and pray for each other as we pray for all of you.
