

The Parish Pastoral Council meets on the fourth Tuesday of the month from September to June at 7:00 p.m.

Chairperson

The Chairperson would be responsible for contacting the Pastor a week in advance to develop an agenda for the upcoming Parish Pastoral Council meeting. The Agenda and the Minutes of the previous meeting should be sent to the PPC members at least six days in advance of the meeting. As Chairperson, you would also be responsible for guiding members through the agenda and any discussion.

Members at Large

Members should be available to parishioners generally and bring concerns to the PPC at meetings. You should also be prepared to identify new agenda items that will enhance the life of the parish and participate in conversations.
