Weekly Offering

Weekly Offerings

During the summer months and over long weekends, many take time for vacation. The parishioners of St. Teresa’s are very supportive of the parish and for this we are thankful. However, we can’t forget that our parish still functions during these months. The ordinary expenses (electricity, maintenance, household) you incur while away from your home during the summer are very similar as those needed to maintain our parish, with the addition that we must continue to pay our staff their salaries. Please don’t forget your financial support to the parish during the upcoming months, especially those Sundays that you will be away.

**UPDATE – Parish Complex Upkeep**  
St. Teresa’s Mundy Pond Corporation’s (STMPC) Board of Directors takes this opportunity to provide you with an update on the upkeep items that the STMPC have either recently completed or are commencing this coming summer.

**Completed:**  
Upgrade to Complex’s fire alarm and CO system, smoke detectors, emergency lighting and exit lighting. Total cost: \$83,766.00

**In Progress:**  
Link Demolition and Associated Work (e.g., new lighting, fencing, new doors, walkway, landscaping). Estimated cost: \$80,000.00

General Repairs – scraping, caulking and painting of exterior windows, doors, and siding.  
Estimated cost: \$12,953.00

Your continued financial support for STMPC is greatly appreciated. All your contributions go towards the continuing maintenance and upkeep of your Parish Complex. Your STMPC Board of Directors continues to work in the best interests of you and your Parish.

We wish you a very safe and healthy summer ahead.

Board of Directors,  
St. Teresa’s Mundy Pond Corporation
