Horizons of Hope

Horizons of Hope is a four week series that combines good video input from experts, helpful print resources and guided small group discussion. The series helps us to explore some of the questions that people often ask about care of people at the end of life's journey:

- How do we make good decisions when faced with life-limiting illnesses?

- How can we accompany and support those who are sick and dying?

- How might we make choices for compassionate care at the end of life?

- How does our faith in Christ help us to understand the human experience of dying and death?

Horizon of Hope will be offered on Thursday nights in May (May 7, 14, 21, & 28 from 7-9 pm) at St. Teresa's Church. Registration is free, but required. To register, contact rafftcssr@gmail.com

Divine Mercy Council of the CWL cordially invite all women parishioners to a presentation by Sister Elizabeth Davis on Sunday afternoon, April 19th beginning at 1:30 p.m. at Divine Mercy Parish, 340A Newfoundland Drive. Sister Elizabeth will be speaking on the topic "Women and AI: Advocacy for Inclusion". As we know, AI is already appearing in different aspects of our lives, especially in gender equality. Women, throughout the world, have very little or no say on how AI is created, shaped, implemented or who's involved in it. We need to educate ourselves on this very important and timely topic. Please join with us for the presentation. A social will follow the presentation.
